THE NEW

RAYMOND RECORDER

No. 44 Vol. 1 Thursday, February 1, 1951

THE RAYMOND LION

Macleod was the scene of a special Meeting of the Eleven Lions Clubs of Region 11 of District 37D. The chairman was Lion Bill Irwin of Blairmore. Zone Chairman Franklyn Dunlop and Zone Chairman L. L. Harker were there to represent their respective Districts. Cardston had two members, Glenwood had two and Raymond one. Pincher Creek had three members, Blairmore three and Macleod four. May 2nd. will be the date for a big party at Waterton for the eleven Clubs of both Zones. Waterton Club will be the hosts for their Charter Night. Each Club will furnish part of the program.

The Local Lions Club held a special Executive meeting or Directors meeting at five o'clock on Tuesday, January 30th. February 17 will be a big date in social affairs this winter. The big party known as "Leo's Night Out" will again stage the Lions' Annual Ho cake Dance. This will be a gala affair with the men in "Shirt sleeves" and the ladies decked out in "gingham". Many of you remember the big Hotcake Feed for free. If you don't—well come out and see, or rather—taste for yourself. The whole shebang will be real Country Style entertainment. The boys (and the girls) will really let their hair down and go to town.

With all eyes focu ed on the doings of the United Nations, we suggest another look at the preamble to the U. N. Charter.

"To save succeeding generations from the scourges of war, which twice in our lifetime has brought untold sorrow to mankind; and

"To re-affirm faith in fundamental human rights, in the dignity and worth of the human person, in equal rights of men and women and of nations large and small; and

"To establish conditions under which justice and respect for the obligations arising from treaties and other sources of international law can be maintained; and

"To promote social progress and better standards of life in larger freedom; and

"To practice tolerance and live together in peace with one another as good neighbors; and

"To unite our strength and maintain international peace and security; and

"To ensure, by the acceptance of principles and the institution of methods, that armed force shall not be used, save in the common interest; and

"To employ international machinery for the promotion of the economic and social advancement of all people"

A veteran of Calgary reports a meeting held in the Legion hall in Calgary for the purpose of discussing the present needs of our Defence preparation. Fewer than a hundred people turned up for the meeting. Those present, after the discussion had closed, passed a resolution to the effect that they recommend a plan of conscription to the Dominion Government. He went on to say that he thinks one of the weaknesses of a Democracy is to be that of making cowards of us.—Well anyway, we are very prone to "let George do it". Do you think that we shall ever see the time when we are willing to take full responsibility of Democracy as well as demand very loudly our rights and privileges.

One of the early biographers of Stephen Girard had this to say about the late great American merchant and philanthropist: "He held it a maxim that no man had a right to decline public stations, if his fellow citizens called him to fill them: the public interest being always paramount to individual convenience."

What a wonderful Lion he would have made.

Home and School

The informal discussion at the Home and School meeting on Wednesday centered around the topic "Activity vs. School Work". Leonard Watson and Lyman Jacobs led the discussion with Mr. Watson stressing the fact that people do best at what they like. He also said that too much play was just as bad as too much work citing "burned out" athletes as an example.

Mr. Jacobs stated that only one-third of the students starting in Grade 7 pass through Grade 12. Of these only four per cent go on to university. He said that the students who take an active and intelligent interest in outside play do best in their school work. He voiced the thought that the people who beef about basketball taking up too much of a students time are really talking about the students who use the game as an excuse for not doing poorly.

Your attendance at the next Home and School meeting is requested.

At the First Ward Relief Society Meeting Tuesday afternoon, Mrs. I. B. Roberts very expertly presented the Social Science lesson. After the regular meeting Mrs. Floyd Litchfield me with the Visiting Teachers to discuss their topic for the coming month.

The Singing Mothers are asked to again meet for practice before Relief Society at 1:30 and before Sacrament Meeting on Sunday.

Next week's Theology lesson be presented by Mrs. Ralph Meldrum.

A determined man can do more with an old rusty wrench than a loafer can do with all of the tools in a modern machine shop.

Just Penning Thanks

(Margaret Huszar)

"T" day has passed. Too bad, fellows, we were all rooting for you. Good luck next year. (I am assuming that everyone knows that "T" day is the "B" Teams Tournament day, which Day, which was held last Saturday. I am also assuming that everybody knows that our Raymond Mustangs lost the coveted Fromm-Melchin Trophy—by one point.)

The school was to have a sleigh ride last Friday night but old man Winter must disapprove of this here younger generation. I'm sure, though, that no one lacked something to do.

You know, I've been philosophizing. Don't ask me what it means, I can't even spell it. This attack was brought on by a heated argument over whether women should be allowed to vote. I stood up for the fairer sex, and said yes, they should. I found quite a bit of opposition, especially since I had challenged a group of boys.

The argument set me thinking. Perhaps if women were allowed the run of the country for a change, there would be no more wars. After all, isn't Mother the peacemaker at home. So she does use the heel of her hand where it hurts most. Somebody should do that to Stalin, it might be the best medicine. Perhaps if, like Johnny or Susie when they have an accident and run to Mom for help, the big politicians would go back to Mom for advice, things would be different. And then again, maybe they wouldn't. Who knows? It is too much for me to figure out.

At the Second Ward Relief Society Meeting on Thursday, Mrs. Etta Brandy very interestingly presented the Social Science lesson. Mrs. Gladys Gough conducted the singing, accompanied by Mrs. Dora Oler at the piano.

Mr. and Mrs. Ira Bourne entertained about twenty friends Saturday evening at the 6000 farm. Games, serious and otherwise were played, with everyone having a very enjoyable time. A lovely lunch was served the hostess assisted by Mrs. Alice Powelson. Special guests of the evening were Mr. and Mrs. Orrin Tollestrup of Taber, who spent the weekend in Raymond.

Carl Salmon Suffers \$10,000 Fire Loss

Wednesday afternoon, January 31, \$10,000.00 damage was caused by a fire of unknown origin to the farm home of Carl Salmon, three miles East of town. Mr. and Mrs. Glen Redford, formerly of Leavitt, who occupied the house were in town doing their laundry and upon returning to the farm found the house full of smoke. They raced back to town and informed Carl who turned in the alarm at about 4:30.

The Town Fire Truck and a good representation of the Brigade sped to the scene and did their utmost to check the fire. It was a very difficult job to locate the base of the fire because of the dense smoke. The house was well insulated which was partly responsible for the flames being controlled as long as they were.

After the 300 gallons of water in the truck had been used a cistern was opened but it contained no appreciable amount of water. Even the use of chemicals failed to halt the rapid growth of the fire which finally engulfed the whole building.

A 1,000 gallon oil tank that was near the house, was pulled to safety by a tractor.

The loss is partly covered by insurance.

In talking to a member of the Fire Brigade we were told a few interesting items which we thought you might find comforting to know. The Fire wagon is a well equipped unit with enough hose to stretch a couple of blocks and is capable of throwing water with such force that it requires two or three men to man the nozzle. A supply of various chemicals as well as the 300 gallons of water is carried together with pick-axes, ladders, respirators, etc. The fourteen man Brigade is fully acquainted with the available water supplies in town, but all farmers and people off the water lines are urged to know the exact location and amount of any and all sources of water that could be used to save their homes or the possessions of another. This is not meant as a plug for my Dad who sells the stuff but an insurance policy covering the full value of your "burnables" gives a wonderful feeling of security when the fire siren shrieks its tale of woe.

Monday evening the young people preparing to go on missions shortly, were guests of Anita McBride for an enjoyable and informative evening. Jim Heninger conducted the evening in the form of a Cottage Meeting, preparing them for their coming responsibilities.

Those present were: Gordon Cooper who is going to South Africa, David Dahl who is going to Eastern Canada, Virginia Paxman, Calvin Hancock and Lawrence Stevens who are going to New Zealand, Dale Hicken who is going to Australia, and Darcelle West. A tasty lunch was served.

Mr. and Mrs. Andy Sorenson, accompanied by Mr. D. Matkin were visitors in Calgary last week.

Our phone no. 314
Orson Anderson's phone no. 341

We Give a Warning

We hereby give warning to that low-down thief who drabbed our oil barrel the other night that if we ever "get the goods" on him he'll rot in the deepest dungeon we can find. The crook wasn't even a gentleman—he didn't even leave enough of what started out as a full barrel to keep us warm through the night. Oh, it was terrible, there we were, coming home from the shop at two o'clock in the morning (we had a job that had to be finished) in awful cold weather to find the house stone cold. It's no wonder our water pipes froze up and cracked. That was one night we found too many down quilts just right.

If the above mentioned unmentionable is the same person who helped himself to the dollar bill we left in the milk bottle the other day he has all the more reason to be wary.

Card of Thanks

Mrs. Margaret Jessop and family wish to express their sincere thanks and appreciation for the kindness and sympathy shown them during the illness and subsequent death of son and brother, Leo. They especially wish to thank the doctors and nurses for their kindness and untiring efforts, and all who helped so willingly in every possible way.

'B' Team Comes Second In Basketball Tourney

Interscholastic "B" Basketball got one of its more helpful shots in the arm on Saturday last when a very successful invitation tournament under the management of C. M. Hill and his Mustangs, was staged in the local Ball Emporium. The competition was for the ownership of a beautiful trophy donated jointly by Fromm's Jewellery and Melchin Motors. It included the strongest teams from each division in the South.

Introduction of Coaches and Team Members took place before each afternoon game. The first game pitted the Barons Bisons against the Raymond Mustangs. Allen "Storky" Tollestrup scored ten points in the first quarter to make it almost a runaway for the Mustangs as the Scoreboard read 20 to 4. Raymond was still ahead 35 to 15 at half time. However the Bison's got the butterflies out of their stomachs and the second half was a thriller all the way. On four different occasions they came within three points of tying the score. The Mustangs did manage to hold their ground and enjoyed a ten point lead—54 to 44 at the final bell. Anderson and Tollestrup each scored 19 points for their respective teams.

Barons: Harris 11, Anderson 19, Kotkas 2, Hayes 7, Kananen 5, Peacocke, Raber, Johnson, Grant, Hobbs, Alutalu Raymond: Jones 13, Gibb 10, Tollestrup 19, Evans 2, Moe Dahl 2, Fairbanks 1, Gehmlich, M. Dahl, Stevenson, Hironaka, D. Cooper 2, B. Cooper Kitagawa.

The second feature had the Medicine Hat Imps lock horns with the Hill spring Panthers. The younger, less experienced Imps were no match for the Panthers as Rolland Jackson scored 16 points to lead his mates to a 41-23 victory. Raymond scored 6 for the Hat.

The first game of the nightcap was relatively easy for the Barons Bisons as they defeated the Imps 47-30. Big Walt Harris who had been held quite closely in check during the afternoon game, tallied 20 points for the winners.

(continued on page two)

A number of the nurses in town, both those who are actively engaged in their profession and those who are not, met at the home of Mrs. Kay Anderson Thursday evening. Mrs. Otto Schneider, a new-comer to Raymond, gave a very interesting account of nursing conditions in Europe and Asia. A very tasty lunch was served by the hostess.

Mr. and Mrs. T. W. Meldrum have had the pleasure of having their son, Verle, and his wife and family from Brooks, visit with them for the past ten days.

An Expression Of Appreciation

The people who helped put on the dance for little Leo Jessop's family were blessed indeed. They had a heart warming experience that never can be forgot. They visited with you in your homes and on the streets, and they feel they really know you.

They know that not just a few, but most all you people in our Raymond Town really love your neighbors and are anxious to show your love by doing something to help.

They know that should deep sorrow come to any of them, your friendliness and sympathy and love would flow out to them too and help lift their burden of grief.

They feel they are fortunate to live in Raymond where all of you good people live—and so to you and all who helped, they want to express their sincere thanks and gratitude.

The committee is pleased to announce that after all expenses of the dance were paid they were still able to turn over three hundred and thirty four dollars and twenty cents to Mrs. Jessop. Although no amount of money can replace her son, your kindness has assisted in paying the great expense of his sickness.

Again the committee would like you all to accept the heartfelt thanks of the Jessop family and themselves.

The first regular meeting of the St. John's First Aid course was held on Monday night in the Town Hall with a disappointingly small number of people showing up. The classes will meet on Wednesday and Friday of next week in the same place at 7:30 p.m. The lectures and demonstrations are conducted by John Housley and a much larger turn-out is requested for the classes.

Here is a chance to learn something that might save your own life or the life of a loved one so enroll now and learn First Aid.

Capitol Theatre News

It's true—not fiction! That is the theme of the dynamic picture "Canon City". It is a dramatic masterpiece and is founded on fact. A dramatization of the famous and ruthless jail-break which occurred in Canon City some-time ago. This is the attraction playing at the Capitol on Wednesday and Thursday of next week.

After many requests the Capitol management is bringing back, for one night, that brilliant British picture, "Blanche Fury". It is in beautiful Technicolor and stars Stewart Granger. Showing Friday, February 9th.

The team of Dean Martin and Jerry Lewis who were with Erma, are on the way in the funniest picture of any year "At War With the Army" which is the attraction at the Capitol for Saturday, February 10.

Coming soon—a dramatic thunder-bolt—"Asphalt Jungle".

Legion Ladies Meet

The regular monthly meeting of the Ladies Auxiliary to the Canadian Legion was held Monday, January 29, beginning with a hearty supper, with everyone helping, either in the preparation, serving or dishwashing. Following this the business meeting was held with members voting to cater to the Ladies Music Club party next week in order to raise more funds. It was also decided to grant two \$25.00 Scholarships in the Highschool; one to a Grade 10 student and one to a Grade 11 scholar. These scholarships will be for Citizenship and will be awarded with the co-operation of the High-school teachers in selecting the students.

Elections for the 1951 year followed with Edith Smith as Chairman. Mary Thompson was re-elected President by acclamation, Flo McKean was also returned as Treasurer. The following other officers were elected: Alma Helgeson, First Vice President; Sally Hippard, Second Vice President; Eileen Phillips, Secretary; and Directors are Henny Hougan, Edith Smith, Val Attwood, Clatye Ralph, Frances Lund, Helen Babb and Annie Adams.

Jacks Take Thriller

On Wednesday night in the Opera House the Union Jacks came from behind to down the Green Acres, 56 to 52, before a capacity crowd of screaming, quaking fans. The locals got away to a very fast start but after a few minutes of play the Lethbridge club caught fire and forged ahead. Checking was close and the score was a very low 28 to 18 for the Acres at the half.

The game slowed down somewhat after the halfway mark with both teams guarding meticulously. Suddenly the whistle blew and the Raymond fans received a jolt—"Rickety" Hicken had fouled out. A few minutes later Al Hades broke loose as Dave Fernandez received the same treatment. The Jacks began to perk up but were still unable to reach the Acres. With seven and a half minutes to go the Jacks got a real break—Proctor fouled off leaving Lethbridge with only four men. Then the fun started, the Acres wanted to put Michelson into uniform, and did, but the referees would not let him on the floor. Those last minutes of the ballgame were played under protest and from all indications the protest will go through. The Jacks were able to catch up to the Lethbridge "quartet" and for the last two minutes it was anybody's game. The score see-sawed until finally the Jacks forged ahead to win the first game of the International Basketball Association semi-finals.

Top point getter for the night was Fernandez with 21 followed by Marcus with 17. Zeihn led the locals netting 14 points while Al West potted 13.

Jacks—A. West 13; Zeihn 14; L. West 11; Mitchell 10; Rolfsen; Attwood 4; Hicken 2; Stevens 2; McLean. Total 56.

Green Acres—Hansen 7; Fernandez 21; Marcus 17; Greenway 5; Proctor 1; Fisher 1. Total 52. —Vede

Vede was right. The protest went through and so the game the Jacks won in Lethbridge Thursday was the first of the semi-finals.

The marriage is announced of Helen Allred, daughter of Mr. and Mrs. J. U. Allred of Logan, Utah, to Max L. Sweat, also o. Logan. The ceremony took place in the Logan Temple on January 11. Both are graduates of the U.S.A.C. and after their marriage the young couple moved to Washington, D.C. where Mr. Sweat is engaged in research work for the National Institute of Health.

Mr. and Mrs. Rutten of Coaldale were visitors in town on Monday at the homes of Mr. and Mrs. Frank Hall and Mr. and Mrs. Mark Heninger.

Come to Church

"The hour shall be filled with music,
With songs, and praise, and prayer;
And the burdens of life shall be lifted
From all who enter there."

It is good for us in the general uproar of the world to pass through a season of quiet meditation and put our fingers on our spiritual pulses and see what kind of life we are living. We cannot best estimate our own life in the noise of the street and the turbulence of the world and need to retire within and shut the door that we may see with a quiet eye and balanced judgment what manner of persons we are. The world is too much with us, and late or soon we spend our spiritual substance in worldly ambitions and anxious living. Simply to step into the seclusion and quiet of a church tends to cool our fevered pulses and calm our agitated hearts and give us peace. God is the great need of our souls, and while we should always live in His presence, yet there are times and means for realizing in a special degree His nearness.

Why The Editor Left Town

A Southern Alberta editor, just about to go to press, "pied" a couple of articles, one concerning an auction sale and the other a write-up of a wedding. He asked the office devil to get the two articles together and here's how he did it:

"William Smith and Miss Lucy Anderson were disposed of at public auction at my barn one mile East of a beautiful cluster of roses, and two white calves, before a background of farm implements too numerous to mention, in the presence of about seventy guests including two milk cows, six mules and a bob sled. Rev. Jackson tied the nuptial knot with 2000 feet of hay rope, and the bridal couple left on one John Deere gang plow for an extended trip with terms to suit purchasers."

A very successful MIA Stake Leadership Meeting was held Monday night in the Stake House, with 190 people present. The Plaque for the Ward having the most officers and teachers present went to the Fourth Ward for the second successive time.

The First Ward M Men and Gleaners and Jr. M Men and Jr. Gleaners met at the home of Mr. and Mrs. Mose Fromm Sunday evening for a Fireside in honor of Virginia Paxman who is leaving shortly to fill a mission in New Zealand, and Jean Cooper who is going to the New England States Mission. Bill Bowden was the speaker for the evening followed by a mouth organ and guitar duet by Ken Hicken and Mose Fromm. A copy of the book "The Way To Perfection" was presented to the Guests of Honor, both of whom spoke briefly.

A group of friends met at the home of Mrs. Audrey West Tuesday for an enjoyable evening of visiting and doing fancy work. A delicious lunch was served.

J C C A Notes

Due to the President's withdrawing from office an executive meeting was held at the home of Muneo Takeda. Tucker Hironaki was chosen to fill the vacancy.

It has been decided to hold an Oratorical Contest open to all Japanese-Canadian High School students. Date of the Contest has been set for Tues., Feb. 20th at the Buddhist Church. The winner of our own local eliminations will represent Raymond at the "Alta. J.C.C.A. Oratorical Contest" to be held in Lethbridge at the Capitol Theatre on March 4th.

'B' TEAM TOURNEY

(continued from page one)

The Cup game between Hillspring and Raymond was a game all 600 patrons will long remember. Nine year olds, 18 year olds, loyal and tender hearted mothers and old feeble carions all put the game down as one to rival the best Jack-Rocket clashes for excitement. The Mustangs rolled into an early lead and were ahead 16-6 at one point in the first quarter, and were still holding on by a 16-12 score at the breather. They had increased their lead to 7 points at the half to lead 34-27. The first half was featured by a brilliant 15 point scoring effort by Bob Gibb. It was also by 4 fouls to the Mustang Centre, Tolles-trup which in the last analysis may have been the turning point in the game. The Panthers began to purr properly in the third quarter and by the time the buzzer sounded they had finally come abreast the Mustangs 40-40. After 3 minutes of the fourth quarter had been played, Hillspring finally pulled ahead or the first time in the game. The last five minutes were played in an uproar as the lead saw-sawed back and forth. With 7½ minutes remaining, Hillspring was up by 5 points and with thirty seconds to go they were up 3 points. Waw Waw Jones sank a basket with ten seconds to go but time ran out and the final score was 52-51 for the Panthers.

Danny Davis was sensational in scoring 23 of his team's total. Bob Gibb topped the Mustangs with 16.

Hillspring: Dan Davies 23, Dale Davies 4, Jackson 9, Merrill 4, French 12, Bunnage, Olson, Tolman, Brooks, Mac Donnell.

Raymond: Jones 8, Gibb 16, Tolles-trup 12, Evans 13, Moe Dahl 2, Hironaka, Fairbanks, Gehmlich, Kitagawa, B. Cooper, D. Cooper, Stevenson, M. Dahl.

The Allstars of the Tournament, according to the views of four prominent basketball men are: Andrekson—Barons; Dan Davies—Hillspring; Evans—Raymond; French—Hillspring; Gibb—Raymond.

Gordon "Punk" Bowden was the guest of honor at a surprise birthday party at the Bowden home last Thursday evening. Rook and lunch were greatly enjoyed. Out-of-town guests were Charles Perrett, Louise Nelson, Lorna Mertz and Carol Hirsche, all of Stirling.

For Parents Only

By Nancy Cleaver

Your Child's Grandparents

"My grand-dad used to take me fishing! What fun we had! I can't remember that we ever caught very many fish, but I do remember tramp-ing along the country lanes, sitting down in a comfortable place and eating our picnic meal," a man said the other day. "It is my grandmother's delicious cinnamon buns which I remember," a friend immediately answered. "They had a delicious odor, and how good they looked! She used to serve them with buttermilk and all of us grandchildren loved to visit granny and have a little snack in her cheery kitchen!"

How many adults have fond memories of good times with a grandparent! How much poorer their childhood would have been if a grandmother or grandfather had not taken time to love and help them in countless ways! What a sense of loss came over them when they knew they would never again hear grand-dad's voice or see granny's welcoming smile.

The attitude of the mother and father to the grandparent is very important. A child senses, without hearing any words whether or not there is love and trust in the relationship between his elders. Parents are often greatly indebted to a grandmother who helps out on the ever present "baby-sitter" problem. At the same time, much as mother and dad appreciate freedom from the responsibility of looking after their children for a short time, grandparents should not be imposed on. They have had their turn in raising a family, they are older now and should not be left with small youngsters for long periods of time. The child's presence should be a joy and not a burden to the grandparents.

Parents sometimes complain that grandma or grandpa upset their child's schedule or give him candies between meals. A mother can avoid a good deal of conflict if she will talk over with a grandparent her doctor's ideas on child raising, such as the rule "Candy after meals, because sweets before eating take away the child's appetite." Grandparents are usually reasonable if they know exactly what are the most important rules which are being followed in a child's routine. They can see that not only mother and father, but all adults who care for a child should stick to the same general pattern. It is confusing for a child to have different rules when different people are minding him. At the same time a schedule should be a bit flexible to allow for special occasions.

A grandparent usually has more leisure than a parent. There is frequently a very fine bond between a child and a grandparent. They enjoy each other's company. Grandma and grandpa greatly enrich a small child's life when they read, sing, tell stories, play building blocks or "keeping house". Henry Drummond gives a charming picture of the old habitant's interest in his little grandson, in his famous poem which concludes:

"But little Bateese please don't forget
We need your stayin' he small boy
yet."

So chase de chicken an' mak den scare
An' do w'at you lak wit your ole
gran'pere.

Teddy Gray was very pleasantly surprised Monday evening when he walked the Ralph Kinseys, the Hamp Witbecks, the Stuart Cards, the Lincoln Woods and Vivian King, to honor him on his birthday. An evening of Bridge was enjoyed with high scores going to Hamp Witbeck and Mildred Wood and Consolation to Dot Witbeck and Lincoln Wood. After presenting Mr. Gray with a gift, a delicious pot luck lunch was served.

Make plans now to attend the Benefit Variety Program and Dance sponsored by the United Church Young People's Union on Monday, February 19, in the Opera House. A good time awaits you. See the ad elsewhere in this paper.

Principles of Weed Control

The remarkable advance in weed warfare that has accompanied the introduction, wide farmer acceptance, and effective use of 2,4-D has not changed the basic principles of weed control. The successful control of a weed still requires a knowledge of its habits, its growth requirements, and more particularly of how it reproduces and spreads.

Weed species fall into two main groups—annuals and perennials.

Annuals—Annual weeds, such as Wild Mustard and Stinkweed, live but one year, produce a crop of seed, and then die. Annuals reproduce by seeds only. Obviously, all methods of controlling annuals have one principal purpose—the prevention of seeding. This may be attained in many different ways—mowing, burning, cultivating, or through the use of chemicals. The easiest way to dispose of annual weeds is to kill them in their early growth stages. 2,4-D is a most efficient tool for this purpose.

Perennials—The most difficult weeds to control are perennials. They live for three or more years and spread not only by seed but also by underground roots or stems (rootstocks). Consequently, the successful control of perennials by 2,4-D, or other herbicides, requires deep penetration of chemicals into the root systems, a requirement which makes them more difficult to kill with chemicals than annuals.

In combating perennial weeds three problems are involved: (1) To prevent seed formation. (2) To kill all seedlings developing from seed already present in the soil. (3) To eradicate existing stands of old established plants. Thus the successful control of most perennial weeds requires a combination of special tillage and cropping methods, supplemented by the use of clean seed and the timely use of 2,4-D, or other weed-killing chemicals.

In these difficult times Western Canada must keep its agricultural production program in high gear. It is therefore essential that every prairie farmer wage a full-scale war on weeds in 1951.

The Christmas Seal fund for anti-tuberculosis work in Alberta has now reached last year's final total, \$155,000. It was announced Friday by C. Robert Dickey, General Secretary, Alberta Tuberculosis Association. The 1950-51 objective is \$170,000.

\$15,000 more is needed for expansion of the Association's work, particularly for further installation of X-ray equipment in hospitals for routine chest X-rays of patients.

Lethbridge and district have reached their first objective and are the first committee in Alberta to have done so. The Lethbridge Kinsmen Club Christmas Seal Sale Committee have set a new objective of \$17,000 and there appears to be every possibility that this new objective will be achieved, according to D. J. Higgins, Chairman of the Lethbridge Kinsmen Club Christmas Seal Committee.

Mr. Dickey said the books of the various district committees would be kept open for another few weeks, since it is certain that there are still several thousand Albertans who intend to help the Association carry on its work.

Christmas Seal contributions are income tax deductible, and may be sent to the Lethbridge Kinsmen Club Christmas Seal Office, City Hall, Lethbridge, Alberta.

Winter-Wise Drivers Must Winterize Habits At Wheel

"Be winter-wise and winterize your driving habits."

That is the advice of the Alberta Safety Council for motorists facing the hazards of the winter driving season.

Despite less travel in winter, the mileage death rate is high. For that reason, only winter-wise driving habits are good insurance against accidents.

Failure of motorists to change their driving techniques for winter, as they change the oil in their cars, is the cause of most accidents. The Council offered these tips to avoid slips:

Get the feel of the road. Try your brakes gently while driving slowly and away from other cars to find out just how slippery the road is.

Slow down. Adjust your speed to road and weather conditions so that you have time to stop or maneuver safely.

Keep windshields clear of snow and frost so that you can see danger.

Keep your headlights, windshield wiper and defroster in good condition.

Use tire chains on snow and ice. They are the best bet for stop and go traction. Some of the new "winterized" tires give some margin of safety over conventional tires, but the improvement is not great enough to warrant less caution or the elimination of chains when driving under severe snow and ice conditions.

Pump your brakes to slow down or stop. Jamming them on will cause a skid.

Follow at a safe distance. It takes three to twelve times as far to stop on snow and ice as on dry concrete.

Monday evening a number of Mary and Tim Courts' friends, who have spent many a happy hour at Mrs. Court's home, staged a surprise party for her. Inviting also older friends of the honored guest, a wonderful time was had together, and a delicious chicken chow mein dinner and a lovely three layered birthday cake brought the evening to a close. Mrs. Court was presented with numerous gifts.

Mrs. Parley Meldrum is home convalescing from a recent operation undergone in a Lethbridge hospital.

Tuesday evening, January 23, The Young Married People's Club held its bi-monthly gathering at the home of Mr. and Mrs. Munee Takeda. Highlight of the evening was the game of Whist which was followed by a short discussion of oncoming activities. A very tasty lunch was served and an enjoyable time was had by all.

Mr. and Mrs. Cyril Layne bade their fond farewells to our town and the citizens last Friday when they pulled stakes and left for Vancouver on the first leg of a journey that will carry them to a new home in California.

Karl Wilde was a business visitor in Calgary this week to attend the New Car Showing.

Sunday evening the Third Ward Men and Gleaners were hosts to the a very enjoyable Fireside at the home of their Gleaner Leader, Gladys Holt. Second Ward M Men and Gleaners at Alvin Bullock of Welling was the Guest Speaker, giving the young people some very timely advice. Velma Vance sang "My Task". A delicious lunch was served, under the direction of Marie Dahl.

Inez Christensen who is attending school in Calgary was a recently spent a week-end at home.

Bill Coppleters is recovering from a broken leg he suffered recently when he slipped off a Welding Truck.

Local Happenings

Thursday afternoon the Fourth Ward Relief Society ladies greatly enjoyed the lesson "The Evil Forces in the World" presented by Mrs. Dorothy Dahl. Edna Harker, Beth Galbraith, Ruth Gibb, Eunice Snow, Valeria Allen, Jennie Vance, Rojanaa Bingham, Viola Meeks, Norma Wood and Anne Turner assisted Mrs. Dahl in the presentation of the lesson, bringing out various parts Satan plays in our lives.

The M Men and Gleaners of the Fourth Ward met at the home of Mr. and Mrs. Paul Redd Sunday evening for a very enjoyable Fireside. Mr. Redd led the very interesting religious discussion, after which a very tasty lunch was served by the hostess.

Monday evening, Mr. and Mrs. Godfrey Holmes were hosts at a party at their home. Following a delicious plate lunch of baked ham, vegetable salad, hot chocolate, ice-cream topped with strawberries, and cake, four tables of Rook were made up. Ruth Gibb took top honors and Ada Stone came second for the ladies, and Orrin Turner took High score for the men.

Saturday evening a few friends held a surprise party at the home of Mr. and Mrs. Glen Meeks, and much to the disgust of the men, Canasta was played. However, Bruce Galbraith copped top prize. A delicious lunch was enjoyed.

Wednesday at the home of Mr. and Mrs. K. Takaguchi, a memorial service was held with out-of-town guests Mr. Nishida and Mr. Matoba of Rosemary. Immediately after supper Rev. Ikuta left by plane for Steveston, B.C., where he will conduct a funeral.
